We are in the process of developing safety strategies for our church, and have formed three teams to write procedures for security, medical, and fire emergencies. We currently have enough volunteers for our security procedures team. However, if you would like to serve on one of our teams to write procedures for medical emergencies or for fire emergencies, please contact Butch Farrell at 336-263-1526. Having these strategies in place is extremely important for the safety of our church family. Thank you.

Scholarship Applications

The Scholarship Team is now accepting applications. There are new guidelines for this year. Applications and new guidelines are located in the church office. Please return completed applications to the church office **by August 1st.**

From the deacons....

FBCG is entering a transition period for our church while we listen for God's call toward a new pastor. We do not know how long this journey will last or where it will lead us.

I want you to know that the deacons are confident and excited about all possibilities that lie ahead.

Our Associate Pastor, Shannon Hall, has worked to assure a smooth transition as well. Our leadership is in place.

If any of you have questions or comments, please contact Shannon, your deacon, or me. Also, I hope that all of you will be willing and ready to help in the tasks that are ahead. If there is any area or capacity in which you would like to serve, again, let us know.

The deacons want everyone to feel informed and included. To this end, you may plan to attend our monthly business conference on the second Wednesday of the month (except July) at 6:30 pm in the Chapel.

The Homebound Team will be making sure that our homebound members and those in assisted living will also be informed.

Thank you for your commitment and patience.
