### Friends on Missions Guatemala Mission Project...

Not everyone has been called to the mission field, but we do have an opportunity at FBCG to help those who have been called. At the end of July, Rev Christopher West of First Baptist Church Burlington on Broad Street will be taking a mission team to their adopted, rural, impoverished village of San Jan de Pelima. This village is in need of new or slightly used, clean children's sweaters and shoes. Friends on Missions invites the congregation to help meet the needs of this village and if you are led to do so, please place donated items in the Mission Box in the hallway or give them to Cathy Phelps, FOM contact person. All donated items are needed by Sunday, July 15th. Let the love of Christ shine in this project and in this world.
